

SmartSearch Kids helps you find good information. You can find articles from books, magazines, newspapers and more with one search. And it's easy to use!

Let's say you want to learn more about dogs.

You'll see a long list of articles about dogs. Making some choices on the left may help you find the best articles.

Be sure to use some of the other choices found on the left to get the information you need. When you see an article in the list that you want to read, click the **Full Text** link. It's just that easy!
