# K-12 Search Results for All Students

The screenshot shows the Britannica School Middle search results for the term "sloth". The interface includes a search bar at the top with the word "sloth" entered. Below the search bar, there are tabs for "Level 1", "Level 2", and "Level 3". A callout box points to these tabs with the text: "Select articles at different reading levels! Select Level 1 for Elementary, Level 2 for Middle School, Level 3 for High School, or all 3." The main content area displays a list of search results, including "ground sloth (extinct mammal)", "Sloth Bear", "anteater (mammal)", and "French Guiana (French overseas department in northeastern South America)". Each result includes a brief description and a star icon. On the left side, there is a vertical menu with icons for "ARTICLES", "IMAGES", "VIDEOS", "DICTIONARY", "MAGAZINES", "WEB'S BEST SITES", "PRIMARY SOURCES / E-BOOKS", "YEAR IN REVIEW", and "LESSON PLANS". At the bottom left, there is a "LEXILE FILTERING" dropdown menu.

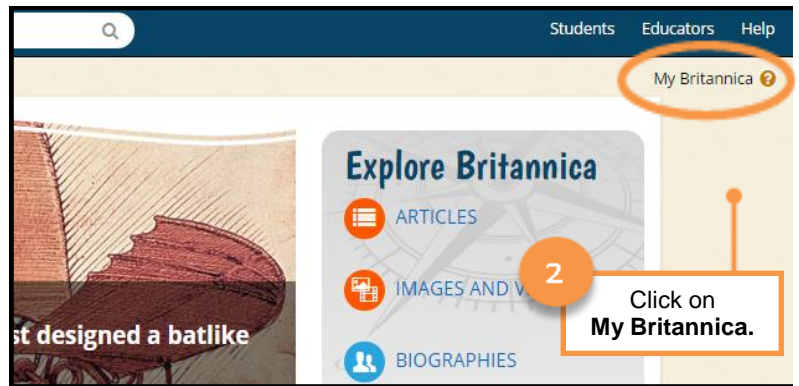

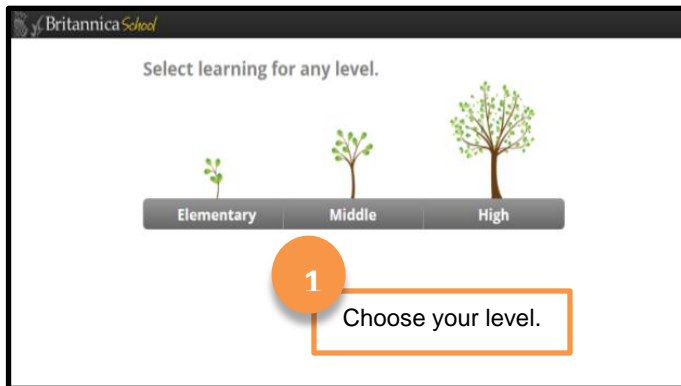

## Article Features

The screenshot shows the Britannica School Middle article page for "space exploration". The article is displayed in a multi-column layout. A callout box points to the "Article Reading Level" tabs (1, 2, 3) with the text: "Students can jump to different reading levels within the article." Another callout box points to the left sidebar with the text: "View article information, multimedia, related articles, and standard correlations." The sidebar includes links for "Spacecraft Fundamentals", "Human Spaceflight", "International Cooperation in Space", "By-Products of Space Research", and "Additional Reading". The main content area features a video player with a play button and a "Did You Know?" section. At the bottom of the page, there is a row of buttons: "Share Content", "Print", "Cite", "Translate", "Listen", "Increase font", and "Decrease font".

# My Britannica for Students and Teachers

My Britannica® provides users a quick and easy way to collect and share materials including articles, images, and videos. Whether you are planning a lesson or just need quick access to important information, you can log into 'My Britannica' from school, home, or the library.

☐ Student

**Fields marked with \***

**5** Indicate whether you are an Educator or a Student, and click **OK**.

# My Britannica – Resource Packs

Resource Packs are a way to collect and organize Britannica School content around any topic of your choice! Try using them to support classroom discussions, or as starting points for inquiry or research projects.

Once you have created your **My Britannica** account, you can create Resource Packs! Simply click on the green button and enter the name of your resource pack.

Add content to your resource pack by clicking on the star in the search results. Click on the curved arrow in the article to add to My Britannica, email to another user, or add to Google Classroom.

## Share your Resource Packs

Edit your pack and add your own documents.

Add notes and share your pack with students and teachers.

## Build and Share Lesson Plans

Teachers can convert any resource pack to a Lesson Plan.

An easy-to-follow format makes it a snap to create and share lessons using Britannica School.

The interface shows a 'My Content' page with a list of resource packs. One pack, 'civil war', is selected. A callout points to the 'Convert to a Lesson Plan' button. Another callout points to the 'Convert civil war to a Lesson Plan' button on the 'Convert to a Lesson Plan' page. The 'Convert to a Lesson Plan' page shows a form with fields for 'Details', 'Subject(s) and Duration', 'Objective and Assessment', 'Procedures', and 'Additional Information'. The 'Objective and Assessment' section has a text area for the objective and a dropdown for the assessment. The 'Procedures' section has a text area for the procedures. The 'Additional Information' section has a text area for additional information.

## Aligned to Common Core and State Standards

Click on 'Educators' to find the link to the curriculum standards.

Plug in the standard type, grade level, and subject area to find Britannica resources that align with your needs.

The 'Curriculum Standards' page shows a sidebar with filters for 'STANDARD TYPE' (US State Standards, Common Core State Standards, Canada Standards, Other Standards), 'STANDARD' (Illinois Learning Standards), 'SUBJECT' (Language Arts), and 'GRADE' (3). The main content area shows 'Grade 3' and 'LANGUAGE ARTS'. It lists standards such as '1.L.1. — Reading: Read with understanding and fluency.' and '1.A. — Apply word analysis and vocabulary skills to comprehend selections.' It also lists correlated resources, including 'BRITANNICA ARTICLES CORRELATED TO THIS STANDARD' (communication, language) and 'INTERACTIVE RESOURCES CORRELATED TO THIS STANDARD' (Sounds the Same, Looks Different).

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
